Design Experience

Jan 2017- current

JAHN GOODMAN DESIGN-PERTH

Freelance designer/Director

Currently self employed as a freelancer, promoting my yacht design services as a 3D modeller and presentation artist of high end luxury yachts.

Sept 2001-Dec 2017

SORGIOVANNI DESIGNS-FREMANTLE

Senior Project Designer/ Manager

Responsible for 3D Exterior modelling of all Sorgiovanni designed vessels and concepts. Involved in 3D and 2D interior documentation, design and management.. Project managed a large number of yachts and was a major contributor to the following yachts and more- M.Y White rabbit Golf / Barbara / Anastasia / Ruya / Nirvana / Anya / White Rabbit Echo / Salacia / Crystal lady / Hey Jude / Vikal Tenders

Apr 2000-May 2001

FEADSHIP, F.DE VOOGT-HOLLAND

3rd Yacht Designer

Involved in the conception of 4 luxury private yachts. Designed a fully pre-engineered General Arrangement of a modern styled 86m high-speed motor yacht, the largest project undertaken by FEADSHIP. M.Y Ecstasea. Modified an existing 64m classic yacht to 49m whilst retaining all original specifications. Detailed the interior of two displacement luxury motoryachts (38.55m & 57m). Numerous hand sketches presented to the client proposing the architects concepts for approval.

Jun 1999-Jan2000

ZURETTI INTERIOR DESIGNERS-GENEVA

Designer-Interior

Designed and developed the interior of the vessel "Benetti Vision" - a 50m. private yacht to be built in conjunction with Benetti shipyard, Viareggio, Italy. The interior was designed with a strong classical theme and all furniture and layouts were original and unique. All drawings were conducted with AutoCAD.

Dec 1998-May 1999

COMPORP ARCHITECTS-ADELAIDE

Designer

Graphic and Interior Designer. In this time I designed the interior and promotional graphics for a number of hotel bars and casinos, both new and those to be refitted.

Mar 1994-Aug 1997

INTERNATIONAL CATAMARANS (INCAT) TAS.

Design Draftsman-Fitout

Worked with a large design and manufacturing team involved in the research, design development and construction of 95m. High speed Catamaran Ferries. In this time I became the principal designer in the area of internal fitout, safety requirements, passenger services and wheelhouse design. In my time there I was involved in 8 vessels 3 of which were co-ordinated by myself.

Design Achievements

SUPERYACHTS AWARDS 2004 – Design of White rabbit Golf was selected from my own proposals and ending up winning the Innovation Award at the Superyacht awards 2004

ARCHITECTURAL – Privately commissioned to design and detail various house extensions/patios for council approval and construction

STYLE-INC - Privately commissioned to 3D design and document a series of hand tools for KWIK and Lazza Tools a couple of which have now reached the Market

THE PICTURE GALLERY-HOBART – A Self-discovery voyage through Europe and Asia where I refined my drawing and artistic skills. Work was exhibited and sold at “The Picture Gallery”, Hobart, Tasmania.

BYRANTOOR BANK-AMSTERDAM - Privately commissioned to make architectural perspective illustrations for a book depicting the historical buildings owned by the bank.

HAARLEM YOUTH HOSTEL-HOLLAND - Employed to design an architectural extension for the existing building. The design comprised of a lounge bar with exterior café style terrace.

COEUR DES GENS-LYON - Exhibited 10 drawings for an exhibition titled “Je Te Regarde, Me Regarder” (Watching you watching me) organised by the Neweden Association

EEA NATIONAL PEDAL PRIX. - Involved in the construction of a Canon sponsored pedal powered vehicle for the EEA National Pedal Prix. The entrant won the Innovation Award and competed successfully.

DUNLITE POWER GENERATION COMPETITION- Second prize. The competition involved developing a proposed large scale generator to be manufactured and placed on the international market.

Computing Skills
